| Course page on the Moodle platform (personal training system) | https://pns.hneu.edu.ua/ |

Learning outcomes assessment system

Current evaluation is carried out during the semester during practical classes and is estimated by the amount of points scored (maximum amount - 100 points; the minimum amount that allows a student to pass the test - 60 points); The final grade in the discipline is calculated taking into account the points obtained during the exam (40) and the points obtained during the current control of the accumulative system (60). The total result in points is 100 and is entered in the test "Statement of progress" of the discipline. More detailed information on assessment is given in the technological map of the discipline

Discipline policies

Violations of academic integrity are: fabrication, falsification, write-off, deception, bribery, biased evaluation. For violation of academic integrity, students may be held subject to the following academic liability: re-assessment (test, test, etc.); re-passing the relevant educational component of the educational program. Write-off during control (modular) works is forbidden (including with use of mobile devices). Class Skip Policy: Attendance is mandatory, points (motivational component) are awarded for active work while attending classes. Policy for the implementation of tasks later than the deadline: each task has evaluation criteria that take into account the timeliness of implementation.

More detailed information on competencies, learning outcomes, teaching methods, assessment forms, independent work is given in the Work program of the discipline

The syllabus was approved at the meeting of the department "30" on May 2022.
